Relaxing

Spa

Complete with changing room and slate showers, it invites you to relax away your cares in the radiant heat of the infrared sauna and boost your circulation in the ten-person hydrotherapy tub. Complete your sense of wellness with a full cardio and resistance workout in the gym.

The Treatment Room

The award-winning products and treatments within the Aromatherapy Associates range have transformed the aromatherapy experience into something highly effective while still feeling luxurious and exceptional.

We offer a range of facial skincare, massage and body treatments to help clients relax, de-stress, and detox. Our on-site therapist, Kirsty Martin, provides treatments designed to support and complement as well as revitalising mind and body.

Games and activities

You can make the most of your downtime in the games room, part of the spa area and crammed with competitive fun, in the shape of air hockey, table-tennis and pool. Elsewhere there are tennis rackets and balls provided for the all-weather court, snooker to be played on the full-size table and also the baby grand bechstein piano for the entertainers in your party.

BRYN TANAT HALL
